Description

Description: Three-room apartment for sale in a new building in the center of Rijeka. It consists

of a living room with a kitchen and dining room, bedrooms and a bathroom. The living room opens onto a spacious terrace, 20m² in size, decorated with Travertino stone and a baroque-style wrought iron fence. The heating is underfloor, combined with air conditioners. The apartment has its own parking space. The location is excellent, close to all facilities (city lines, ZTC, KBC, medical, economic and maritime faculty, etc.) The new building is located east of the center of Rijeka and is known for its diverse community and lively atmosphere. Life in this neighborhood is very popular: you are not far from the center, yet far from the bustle, noise and stress. Also, there are numerous cultural, entertainment, sports and recreational facilities here, which makes it an ideal place for social gatherings, entertainment and sports events. The location of the property is ideal for use as an investment project. The location proved to be interesting both for tourists, due to the proximity of Opatija and Istria, and for business people visiting Rijeka, for example, due to the proximity of the port of Rijeka. The new connection to the highway means that you can reach the highway in 2 minutes, despite the almost central location in the center of the city of Rijeka. ID CODE: 123-015
