Description

Description: Kaiser Immobilien offers for sale an imposing villa with a panoramic view of the sea. Located in a quiet oasis of beautiful colors of nature, in complete privacy,

only 15 minutes drive to the city of Poreč, this villa offers a complete pleasure of living for all your senses. Driving along the West Coast of Istria, along the vineyards and the red earth, you come to a villa that is an oasis of peace and pleasant life. The villa is a combination of modern and rustic design, built with a combination of stone and facade paint. The style of the villa reminds a lot of the traditional way of living in Istria with additions of autochthonous elements, such as the Istrian kažun, which is a stone Istrian house, and all of this is combined with modern elements and accessories. The position of the villa and its construction have a very attractive appearance, considering that the villa is located on an elevated position, on the edge of a small Istrian village, facing the sea and the sun. All facilities are located right in front of the villa, where it is completely isolated and rare for curious passers-by. The villa consists of a ground floor and an upper floor, with a total of 5 bedrooms and bathrooms. There is a spacious kitchen and living room with access to the pool and yard, a storage room for necessities, and the most interesting part of the villa, which is most needed in winter days, is definitely the sauna that will warm you up well, the whirlpool for up to 6 people, and for complete relaxation there is a fireplace that gives a special atmosphere when relaxing. All rooms are air-conditioned. The parking area is large enough to park several cars. The villa is sold furnished. The specificity of this villa is that it is actually a perfect financial investment. This villa is rented out every year, and has exceptional results in terms of the number of overnight stays. Considering its position and privacy, as well as the perfect content and luxury it provides, it has proven to be the first choice among villas for rent. There is evidence of all this with the owner. Distance of the property to the city: Poreč - Pula Airport, 45 km Poreč - Ljubljana, 162 km Poreč - Vienna, 544 km Poreč - Prague, 868 km Poreč - Munich, 565 km If you are looking for real estate as a tourist investment or simply want to start your new life in Istria, in the oasis of the sea, then this imposing villa is the right choice for you, contact me on the phone number 00385 923782803, or on the email address: ivana@kaiser-immobilien.hr.
