Description

Description:

The real estate agency Kaiser Immobilien from Opatija highlights from its offer the last beautiful apartment in an excellent new building located in a very strategic and attractive location just a few minutes from the center of Opatija. The project consists of two buildings with a total of only 6 apartments. Only 300 meters as the crow flies from the seashore and in the immediate vicinity of all the necessary facilities, the apartment boasts an almost perfect southern orientation and maximum sunlight. This three-story apartment has a total area of 171.30 m² (according to coefficients 143.15 m²) and consists of the 1st floor, 2nd floor and roof terrace. On the 1st floor there is a sleeping area with 3 bedrooms and 2 bathrooms. The master bedroom has its own bathroom and the other two rooms share another bathroom. The main living area of the apartment is located on the 2nd floor and consists of an open space kitchen with a dining room and a living room with a total area of an impressive 49.8 m². There is also a storage room / laundry room, a separate toilet and a large covered balcony (12.27 m²) with a view of the sea, from which an external spiral staircase leads to an even larger (22.1 m²) roof terrace with a beautiful panoramic view of Opatija and the whole Kvarner. On the level of the roof terrace, the apartment also has a large second storage room (28 m²). High-quality materials were used in the project, including aluminum windows, high security front doors, and a cooling and heating system using state-of-the-art heat pumps. An extremely pleasant and imaginative project is the work of a renowned Croatian architectural studio. In the courtyard of the building, the new owners of the apartment have 2 parking spaces at their disposal, which are a gift from the investor, as they are not included in the total area of the apartment or its final purchase price. Another big advantage is the fact that the project is sold directly by the investor and the buyer does not pay the real estate transaction tax of 3%!
