Description

Description:

Kaiser Immobilien offers for sale a beautiful villa with a pool and a sea view. The villa is located on the west coast of Istria, only a few km from the city of Poreč, in a very popular neighborhood where it fits perfectly into the neighborhood of modern houses. This beautiful prefabricated low-energy villa is located on a plot of 599 m², while its size is 117 m². The villa consists of a ground floor and a first floor, perfectly integrated into the settlement with a view of the sea. On the ground floor of the villa there is a spacious living room, kitchen and dining room, which enchant with light and a wonderful view through the space, to the pool and the courtyard of the villa. On the ground floor there is also one bedroom with its own bathroom. The technical room and the guest toilet also fit into the ground floor of the villa, which has access to the covered terrace and pool. The courtyard of the villa, which is exceptionally decorated, is surrounded by a protective opaque fence 2 m high, which provides complete privacy for living. The size of the pool is 30 m². We reach the first floor of the villa by beautiful stairs that give a special look to the interior, with a very modern design. There are two more bedrooms on the first floor, each with its own bathroom and with access to a shared terrace with an enchanting view of the sea, nature and the village around the villa. This beautiful modern villa comes fully furnished and equipped. Heating and cooling of the villa is organized through air conditioners located in every room of the villa. There are two parking spaces in front of the villa. The villa is currently rented during the tourist season and has proven to be a great destination for summer tourism, if you want to combine renting a villa and at the same time living in it when there are free periods, then this villa is the perfect combination.
