Description

Description: The Kaiser Immobilien agency is selling a modern two-bedroom apartment in the center of the old town of Rovinj. Rovinj is located on the western side of the Istrian peninsula, and stretches north of the Lim channel all the way to Bal in the south. Rovinj is said to be one of the most beautiful cities in Croatia, so it is no surprise that it is the strongest tourist center in Croatia, and that it has been

recording a record 3 million overnight stays in the season for several years. There is something magical about a city with so many visitors. Once a fishing town, today it offers tourists an experience of the past in synergy with the new and modern architecture that adorns the suburbs of Rovinj. The numerous beautiful beaches and proximity to the sea are certainly responsible for the development of Rovinj. The property covers a total living area of 50 m² and was completely renovated in 2022. The apartment is equipped with modern designer furniture with a signature, creating a contemporary and elegant ambience. The apartment is located on the second floor of a renovated building. It extends through a spacious living room with kitchen and dining room, two bedrooms and a bathroom. The apartment is fully furnished and is being sold as such. The temperature is regulated throughout the year by electric heating and air conditioning. During the adaptation of the apartment, only the highest quality materials were used, and the work was carried out by a professional team under the supervision of a renowned structural engineer. In this way, every aspect of the apartment is carefully planned and executed, ensuring top quality and longevity. Apartments of this type are a real rarity in Rovinj, making this property an exceptional opportunity for you. The new owner of the apartment offers the takeover of a well-established tourist facility or as a property for an escape to the beautiful coast of Istria.
