|--------------|--|
| Description: | <p>Kaiser Immobilien represents an excellent investment opportunity near the town of Labin. For sale is a plot of land with a total square footage of 1,000 m² for construction purposes. The land is located among numerous new buildings and offers unique panoramic views of the sea. The location is known for its natural features, numerous wild beaches and coves and various promenades are just one of the attributes of this region. The land is located next to the access road, it is flat and slightly sloping, which allows it to have an excellent position during construction. The terrain is cleaned and easy to walk on. The infrastructure is located in the immediate vicinity. It is possible to build a villa with a swimming pool, according to the local government, it is possible to build an object on a plot of 600 m². The center of the town of Labin is only 9 km away, or rather a 15-minute drive. There you can find all the necessary amenities, numerous shops, restaurants, schools, kindergartens, etc. The land is positioned halfway between Rijeka and Pula, which enables excellent year-round connectivity. It is possible to purchase an additional 1,000 m² of building use in order to obtain one unit. The property is certainly worthy of attention due to its unique location and market demand. A tour of the field, photos and more information about the field are</p> |
