### Description

Description:	<p>Kaiser Immobilien represents an excellent investment opportunity near the town of Labin. For sale is a plot of land with a total square footage of 2,000 m<sup>2</sup> for construction purposes. The land is located among numerous new buildings and offers unique panoramic views of the sea. The location is known for its natural features, numerous wild beaches and coves and various promenades are just one of the attributes of this region. The land is located next to the access road, it is flat and slightly sloping, which allows it to have an excellent position during construction. The terrain is cleaned and easy to walk on. The infrastructure is located in the immediate vicinity. It is possible to build more buildings, according to the local self-government, it is possible to build a building on a plot of 600 m<sup>2</sup>. The center of the town of Labin is only 9 km away, or rather a 15-minute drive. There you can find all the necessary amenities, numerous shops, restaurants, schools, kindergartens, etc. The land is positioned halfway between Rijeka and Pula, which enables excellent year-round connectivity. The property is certainly worthy of attention due to its unique location and market demand. A tour of the field, photos and more information about the field are available upon signing the mediation agreement. For more information, contact an agent. ID CODE: 112-077</p>
