Description

Description: The century of the creation of Opatija (XII century) is taken roughly, and it is assumed that the small church of St. James was built on the site of a former shrine to some other deity. Whether to Apollo or to the Liburnian goddess of love, health and fertility, Anzotica, we can only guess. Love has always been a welcome guest in the fabulous Opatija, in the area of which we still call Liburnia after the ancient tribe that lived here. In the heart of Opatija, near the famous bathing resort of Slatina, we present an apartment in an old Austrian villa. The building as well as the environment of the building and the apartment itself need a complete

renovation. The apartment is located in a building on the first floor consisting of a basement, ground floor and first floor in a villa with a total of 6 apartments. It consists of three bedrooms, a kitchen, a bathroom with a toilet and a living room with a loggia from which we have an open view of the sea and which faces south. Proximity to all facilities: restaurants, coffee bars, cafes, pharmacy, bus station, shops, health center, fitness center, tennis court and others makes this location of the apartment a good location for living. Ljubljana is about 1 hour and 30 minutes away. driving, Trieste approx. 1 hour, Zagreb approx. 1 hour and 30 minutes, Poreč and Pula approx. 1 hour, the island of Krk approx. 40 minutes. Airports: Zagreb, Trieste, Pula, Ljubljana, Krk are an hour to an hour and a half away by car from Opatija. ID CODE: 121-010
