Description

Description:

Kaiser agency presents a beautiful apartment in a new building, located in a building with three apartments not far from the historic town of Kastav and the city of Rijeka, and only 6 km from the tourist pearl of the Adriatic - the city of Opatija. This high-quality building will be equipped with underfloor heating, air conditioning, ceramics from renowned manufacturers and burglar-proof entrance doors. The apartment, which is being sold in the turnkey phase, is currently under construction, with the planned completion of construction in the fall of 2024. The total built-up area of the apartment on the second floor is 134 m², of which the residential interior is a well-distributed 106 m². The apartment is spread over the entire floor and includes a hallway, open space concept living room, kitchen and dining room, three bedrooms, including a master bedroom with a wardrobe and its own bathroom, bathroom, toilet, storage room and laundry room. This south-facing apartment is illuminated with plenty of natural light, creating a pleasant atmosphere and emphasizing the spaciousness of the space. From the covered terrace and balcony there is an enchanting view of the sea, the picturesque Opatija Riviera and Učka. The property has one garage space and two outdoor parking spaces. All these factors make this apartment extremely attractive for a comfortable life in a peaceful environment. It is an interesting home for those who are looking for a quality living space near historical and touristic cities, while at the same time providing easy access to all necessary amenities.
