Description

Description:

Real estate agency Kaiser Immobilien proudly presents a unique opportunity to purchase a beautiful apartment located on the last 3rd floor of a neat Austro-Hungarian villa from 1908 in Lovran. The villa contains a total of 5 apartments and is located only 100 meters from the beach and the Lungomare promenade, 3.5 km from Opatija. The apartment extends over the entire floor of the villa and actually consists of 2 apartments connected by a common central corridor. The first apartment consists of an entrance hall, a large living room with a balcony and a beautiful view of the Kvarner Bay including Rijeka and the island of Cres, large bedrooms, a separate kitchen with a dining room, a bathroom and a storage room. The second apartment offers a hallway, a master bedroom, another room that can be used as a bedroom or living room (with kitchenette) and another bathroom. The apartment was completely renovated in 2019, and in December 2023, a modern 9 kW Panasonic heat pump was installed (on the roof), which, in combination with radiators, provides heating and hot water. For cooling, the apartment is equipped with 3 air conditioners. The apartment has a total area of 140 m², but since it is located in a high attic, after applying the appropriate coefficient, we get an area of 121.2 m² (the square footage shown in the attached floor plan is already after applying the appropriate coefficients). The apartment is sold fully furnished and equipped. Parking is provided directly in front of the villa, where the apartment has 1 parking space. All facilities are within walking distance from the apartment, a park, a coastal promenade with a number of beaches, a large supermarket and smaller shops including a market, several restaurants and cafes, children's playgrounds, tennis courts, in short everything for a pleasant family life or perfect relaxation. Directly in front of the villa you will also find a public transport station that provides a convenient connection to all places on the Riviera including Rijeka. An exceptional property that represents an opportunity for a quality life or relaxation with a beautiful view, all without necessary investments and at a reasonable price. The commission of our real estate agency is 3% + VAT for the buyer. The commission covers all services related to the purchase and is paid only in the case of real estate purchase, at the conclusion of the first legal act.
