Description

Description:	<p>Kaiser Immobilien presents a building plot in a beautiful location with a unique view of the sea. The land covers an area of 1800 m², it is completely for construction purposes. Due to the structure of the terrain, it is possible to build one villa. It has a cascading shape and enables excellent use during construction. It is currently in the process of being cleaned. The infrastructure is located next to the field. The asphalted road runs along the edge of the field and offers an excellent access road to the future villa. The view of the sea extends from both sides of the field looking at the Istrian coast, the islands and Rijeka and its surroundings. The quiet neighborhood provides excellent privacy and peace in nature. A small place with panoramic views of the sea will give you pleasure in the beauty of Istria throughout the year. Among the last building plots in such a beautiful location, it is only 400 meters from the sea. If you are a lover of nature, the sea and fresh air, this property will satisfy all your criteria with its attributes. Bordered by a nature park, the sea and the islands offer unique sunrises while you enjoy them from the comfort of your home. It is located ten minutes' drive from all facilities necessary for a comfortable life. ID CODE: 112-050</p>
