Description

Description:

House in a row, st. And Kaiser Immobilien is selling a complex of four houses in a row, in a small and quiet place surrounded by beautiful nature, only 10 km from the center of Poreč and its first beaches, and only a few minutes by car to the Istrian Epsilon. The house will be the first in the series, it will extend over 3 floors with a living area of 150m², a total terrace of 36m². About 500 m² of garden will belong to her. On the ground floor of the house there will be a kitchen with a dining room in an open space concept, a living room, a storage room, a bathroom and also a laundry room. There are 3 bedrooms on the first floor, one of which will have its own bathroom and a terrace of 6 m². The other two have a shared bathroom, one of which has access to its own terrace of 10 m². The high attic is intended as a relaxation zone where there would be a wellness and a jacuzzi, but it is also possible to repurpose a part of the attic for other purposes if the future buyer wishes. Also, access to the 20 m² terrace will also be possible from the attic, i.e. the relaxation zone. The floors in the house will be covered with ceramic tiles, but if the future owner wishes, this can be changed in agreement with the investor. The heating will be on the floor using heat pumps, while air conditioners will be installed for cooling. The pool area will be 32m². Due to its proximity to the city of Poreč, its beautiful beaches, and its proximity to the Istrian Epsilon, this house is an excellent investment in your future residence or as an investment in tourism.
