Description

Description:

Kaiser Immobilien puts on the market a stone villa with a pool of 137 m², located in a small settlement near Sv. Lovreč, built in 1920 and thoroughly renovated in 2017. The house consists of a ground floor of 72.7 m² and a first floor of 63.95 m². Communication between floors is made possible by a metal internal staircase. Massive load-bearing walls are built of stone. The mezzanine structure is made of reinforced concrete. A wooden roof structure was installed. The roof is pitched, covered with tiles. The skimmer-type concrete pool is covered with a 32 m² foil. On the ground floor there is a living room with a kitchen and a dining room, a bedroom with a bathroom, a toilet, a summer kitchen and a boiler room. On the 1st floor there are two bedrooms with bathrooms and a terrace. The house is oriented to the southwest. For heating and cooling purposes, Midea air conditioners (4x), electric underfloor heating in the bathrooms, solar panels for hot water heating and an electric water heater for heating domestic hot water 300 l have been installed. The house is sold fully furnished, and the new buyer only needs to bring personal belongings. During the summer season, the house is rented to tourists. The price of the house includes solid wood furniture, bathroom furniture and outdoor furniture. The total area of the land with the yard is 335 m². There is a parking lot with two parking spaces inside the yard. It is up to you to call the agent and arrange a viewing of the property. ID CODE: 117-002
