Description

Description:

Kaiser Immobilien presents a penthouse under construction in the city of Krk on the island of Krk. The penthouse is located on the second floor of the residential building. The apartment consists of a living room, a dining room and a kitchen, which form the concept of an open space with access to the terrace. The apartment also contains two bedrooms with their own bathroom and wardrobe and access to the terrace, and another bedroom with its own bathroom and a room intended as a toilet and laundry room. The apartment has 2 parking spaces. Heating and cooling of the apartment will be provided via a heat pump, and floor heating is additionally provided. This combination of heating systems ensures a comfortable temperature throughout the year. The apartment is in a great location. Excellent transport links mean that you are only minutes away from important everyday and entertainment facilities, making it a convenient place to live. The distance from the sea is 1000 meters. Depending on your needs, this apartment can provide you with comfort and quality living space. The planned construction completion date is July 2024. For additional information, contact an agent. ID CODE: 118-031
