Description

Description:	<p>Kaiser Immobilien puts on the market a building plot of 1204 m² with a conceptual project for the construction of a house that has a basement, ground floor and 1st floor. According to the project, the construction of the house would be with minimal costs, with some sustainable solutions such as the installation of solar panels on the roof and a 2 x 5 meter pool with minimal maintenance costs. The net living area of the house would be 260 m². The land is in an excellent location in a quiet and pleasant neighborhood. The terrain has a view of the sea and the islands of Krk and Cres. It takes 15 minutes by car to get to the nearest Opatija beach, while the sea is 2000 m by air. A request for a building permit, which is expected at the end of this year, has been submitted. Papers for electricity and water have been obtained. It has an access road. A house can be built for living or investment. ID CODE: 109-119</p>
