Description

Description: Agency Kaiser Immobilien mediates the sale of land on the island of Krk in Milohnići. The land has a great potential for different types of investments due to the fact that 1202 m² is located within the construction zone, which allows the construction of a residential building, and 450 m² can be used for different purposes. Utilities are located near the land. Possible subdivision of the land. It is allowed to build a property on the land, which would consist of a ground floor and another floor. This can provide potential for a tourist rental property. The land is connected by road, which is an important aspect for access and traffic in the area, as well as connection with important amenities such as shops. For additional information, feel free to contact an agent. ID CODE: 118-012
