## Description

Description:

The real estate agency Kaiser Immobilien presents to you an adapted autochthonous stone villa with a swimming pool, in a very quiet location in the vicinity of Malinska. The property is located in a wooded bay on the west coast of the island of Krk. The villa with the garden makes a whole of 1020 m<sup>2</sup> gross. It is spread over three floors, and consists of the ground floor where there is a spacious living room that is a pleasant space for socializing and relaxing, a kitchen with a dining room and a beautiful loggia. On the first floor there is a bathroom and two bedrooms that have direct access to a beautiful terrace with a view of the sea, while in the decorated attic there are two more rooms with a bathroom. A useful convenience is an additional outdoor toilet that is easily accessible from the outdoor socializing area. The hidden asset of this villa is a wonderful wine cellar that offers you the opportunity to store and enjoy various wines. The heating of the villa is made possible by a heat pump, which, together with underfloor heating, provides an efficient way of heating the space, but there are also convectors for heating and cooling, air conditioning and a fireplace, which, in addition to being a decorative element, serves to heat the rooms, creating a pleasant and warm atmosphere. The irrigation system facilitates the maintenance and care of the garden. The proximity to the sea is 1700 meters, and in addition to the proximity to the sea, the property is located in close proximity to all important amenities.
