## Description

Description: Kaiser Immobilien presents a penthouse directly next to the seashore (20 m). The apartment is located in a smaller building where there are three luxuriously equipped residential units and a roof terrace with a swimming pool and sun deck. There are parking spaces and storage rooms in the underground floor. This apartment consists of three bedrooms with bathrooms, spacious living room, dining room and kitchen, private roof terrace with heated pool and direct entrance to the elevator. During construction, the highest quality materials were used, such as aluminum carpentry with mosquito nets of the Schüco brand, Mitsubishi air conditioning units, first-class Italian ceramics, oak parquet and a smart home management system for different systems for a better quality of life.
