Description

Description:	<p>Kaiser immobilien mediates the sale of construction land on the island of Iž, only 50 m from the sea. The land has a regular shape with an area of 800m², and all the necessary infrastructure is nearby. The future building will be surrounded by Mediterranean vegetation, with a beautiful view of the sea and the Zadar archipelago. The commission of the agency for the buyer is 3% + VAT and is paid in the case of real estate purchase at the conclusion of the first legal deed. Iž, an island in the Middle Channel between Ugljan and Dugi otok, is surrounded by a dozen islets, and is 14 nautical miles from Zadar. The island of Iž is a kind of kingdom, a small kingdom of only two letters. Its beauty is known only to a small number of adventurers and sailors, lovers of pure, untouched nature, those who want to escape "to the end of the world" and enjoy solitude. The island is 12.5 km long, 2.7 km wide and its area is 17.59 km². The length of the indented coast is 35.1 km. There is no mass tourism. There you will find something already somewhat forgotten, which only small, hidden islands can offer you, and that is complete peace. For lovers of staying at the beach, there is a wide choice. Mali Iž has 10 coves of exceptional beauty, pebbled or sandy. These are: Mala Dumboka, Šolova, Peščenice, Pardešćak, Mali Vodenjak, Bršanj, Komoševa, Knež, Dolinje</p>
