Description

Description:

Kaiser Immobilien presents a house in an excellent position with an open view of the sea, located above the beautiful town of Brseč in the village of Martina. Around the house there is another building plot of 795 m², so it is possible to build another residential building. The existing house is for adaptation, and in front of it there is another smaller building, which serves as a storage room. The house is a great investment at a great price! It is located in a quiet and peaceful environment, connected to nature. The municipality of Mošćenička draga is currently in the process of building a road to the house, because there is currently a white road. A water supply system should also be introduced, which is also in the process and is expected already this year. ID CODE: 109-100
