Description

Description: Kaiser Immobilien puts on the market a luxurious apartment of 198m2. On the

ground floor there is a kitchen, a living room with access to the garden. On the first floor there are three bedrooms and a bathroom and a master bedroom with a bathroom and dressing room. One part of the roof is made in the form of a roof terrace, and the other part is closed and a photovoltaic power plant is located on it, which makes the house energy independent. Heating, cooling, all household appliances and in the garage a socket for charging an electric car, all connected to the roof heating system. There are two parking spaces in the outer part, the garage is part of the house with a direct entrance to the residential part. The apartment is located near all important amenities. Estimated occupancy is summer 2024. For additional information, feel free to contact the agent. ID CODE: 106-82
