Description

Description:

Kaiser Immobilien is proud to present an exclusive project of 27 beautiful villas located in charming Labin, in the northeast of Istria. This extraordinary opportunity offers a variety of possibilities, as some villas stand alone, while others are combined into semi-detached houses. Each villa has its own spacious garden and private pool, creating an oasis of peace and relaxation for your family. Features Villa - Roh-Bau Phase: The house is roofed, tiles and sheet metal for the roof have already been installed. Although the carpentry has not yet been installed, you have the option of adjusting the interior according to your wishes and needs. The sidewalk is already finished, and the concrete environmental walls form the first stage of landscaping. The pool and the area around the pool were concreted in the first phase. The plot is leveled, which ensures a flat surface for landscaping the garden and the environment. There are no dividing walls inside the house, which gives you the opportunity to organize the layout of the space according to your own preferences. Price Turnkey Phases: €625,000 If you prefer carefree moving into a fully finished house, we offer the "Turnkey" option. For the amount of €625,000, you will receive a completely finished villa with all the necessary finishing touches, ready for your family to start a new life full of enjoyment. Take advantage of the unique opportunity to become the owner of a beautiful family house with a swimming pool in the idyllic surroundings of Labin.
