Description

Description:

Kaiser Immobilien has the opportunity to present you a beautiful and unique low-energy house near the lake. The property is located in a beautiful and quiet location, and consists of an entrance hall, main wardrobe, pantry, guest toilet, kitchen, living room, three bedrooms and two bathrooms, and an additional 281 m² attic. space. All external carpentry is seven-chamber plastic, with three-layer thermopane glass, and aluminum blinds are installed on the outside, and mosquito nets on all doors and windows. The walls are insulated with 16 cm of injected cellulose, seven cm of Gutex panels, and an acrylic facade. Underfloor heating and a system of heat pumps are distributed throughout the house, and two recuperators are installed on the house, which ensure ventilation without heat/cold loss. A garage, three covered and two uncovered parking spaces and preparation for the installation of a charging system for electric cars are located in the beautiful and meticulously landscaped yard. There are three more covered and illuminated terraces. This excellent property, by all parameters, represents an excellent investment for green and ecologically oriented buyers. Feel free to contact your agent for a viewing. ID CODE: 102-145
