### Description

Description:	<p>A beautiful house, with an enviable square footage and the very location of the house, decorates a plot of 2200 m<sup>2</sup>. The house dominates with its size, stone construction and enormous potential, and is a real rarity on the market. The view of the green fields is reminiscent of the heavenly gardens of Tuscany itself. In one stroke, a wonderful view spread over a rich green area was combined. This stone house is reminiscent of the Tuscan flair in its appearance and surroundings, but again with the signature of Istrian charm. The area of Buja, located a few kilometers from the sea, is rich in hills, vineyards, olive groves, cherry and pine forests, and bathed in the scent of thyme. A unique opportunity of a very rare property that offers the perfection of nature and peace that surrounds this truly special property. ID CODE: 104-019</p>
