The villa itself, in which the apartment is located, was built on a slope and is surrounded by greenery on the north-east and north-west sides. From almost all parts of the apartment, and above all from the huge terrace in front of it, there is a truly phenomenal panoramic view of the sea. In addition to the entire Kvarner Bay, the new owners will also have a part of the Opatija coast or the city of Rijeka in the palm of their hands. Thanks to the large glass surfaces and the almost perfect orientation, the apartment is full of daylight and sunshine throughout the day. In front of the loggia in the basement, it would eventually be possible to build a swimming pool.
