Description

Description: The apartment is located on the ground floor of the building and covers an area of 42 m². The owners have competently adapted the apartment. During the renovation, new electricity and water installations were also installed. The apartment is decorated with a lot of love, and the owners have thought of every detail. The terrace with a view of the inner courtyard gives this apartment a special charm. The terrace is surrounded by a glass wall and enables outdoor dining. Heating and cooling is regulated by air conditioning. Given that the property has been recently renovated and is in a beautiful location, it is an excellent investment for living or renting. If you were thinking about buying an apartment in beautiful Rovinj, in the heart of the old town, this apartment could be your perfect choice. Rovinj is one of the most beautiful cities in Croatia. Whoever visits Rovinj once, hardly forgets it and most often returns to it again. The beauties of Rovinj often leave a deep mark, so the connection with it extends for generations. Rovinj is located on the western side of the Istrian peninsula, and extends north of the Lim channel and south to Bal. It is adorned by an extremely indented archipelago with as many as 14 islets and 6 rocks. Rovinj is the strongest tourist center in Croatia and has been recording a record 3 million overnight stays during the season for several years in a row. Rovinj's beaches are typical for this part of the northern Adriatic. You will most often find rocky gardens and pebble coves that repeat rhythmically along the 67 kilometers of Rovinj coastline. The Zlatni rt forest park, which is located in the southern part of the city, will also enchant you. Walking, running, cycling and swimming in the hundred-year-old protected park are unique experiences to remember.
