Description

Description:	<p>An apartment for sale in a phenomenal location, 1st row to the sea, with direct access to the Lungo Mare promenade and the marina. The apartment is located on the last (2nd floor) of the Austro-Hungarian villa with a total of 6 apartments. It is important to note that this is the only Austro-Hungarian villa in the center of Opatija with direct access to the Lungo Mare promenade! The apartment with a net usable area of 42.50 m² consists of: bedroom, kitchen with dining room, bathroom and hallway. The total square footage of 62.45 m² in the title deed is rounded off by: a decorated woodshed in the basement of the building and a terrace with a beautiful view of the sea, islands and marina. The apartment was completely renovated in 2017 from the ground up (only bare walls were left), including all installations and all new furniture. Given that the apartment is located in the attic, the roof of the apartment has also been completely renovated and additionally insulated. Heating and cooling is via air conditioning, and the apartment is sold fully furnished and equipped, so it does not require any additional investments.</p>

Due to its prestigious location and proximity to the center, this apartment represents an excellent opportunity for an investment in the form of a tourist rental (the future owner can already take over the well-established rental business) or for a year-round stay and vacation. Smaller apartments in Austro-Hungarian villas, in the center of Opatija, 1st row of the sea with direct access to Lungo Mare, are really rare on the market, so don't miss out on becoming the owner of this unique property!
