Description

Description:	<p>we are selling an apartment in the very center of Pula, next to the Pula Forum itself, completely decorated and renovated a few years ago. The apartment is located on the first floor of a neat and well-maintained building, also very close to the sea (not the beach). It is a spacious apartment with an area of 74m², with a large open space living room with a modern kitchen and dining room, the apartment is decorated in a designer style. It has two bedrooms, each with its own bathroom and access to a 12m² terrace. The apartment is air-conditioned and has underfloor heating. New carpentry, thick stone walls and underfloor heating make it extremely comfortable to stay in all year round, and special attention was paid to sound insulation and light in all rooms during the renovation. Shared yard in the property, and has 2 storage rooms on the ground floor and a shared barbecue for use. Ideal property for living in the city but also for renting due to the location. The apartment also has a side view of the sea from the living room. ID CODE: 300041090-295</p>
