Additional information

Energy efficiency:	In preparation
--------------------	----------------

Description

Description:	<p>The offer is a beautiful house with a large yard in a great location in a dead-end street. The house consists of 2 floors, which are designed so that on the ground floor there is a two-room apartment with a large terrace and a separate studio apartment. The upper floor of the house has two entrances, one on each side of the house, and all preparations have been made to separate the 2 apartments. The house needs minor adaptation, but the potential is great considering the location.</p> <p>ID CODE: 300561022-30</p>
