Description

Description:

ISTRIA, POREČ - Luxury apartment 83m², new building 800m from the sea! The city of Poreč is one of the most beautiful pearls of the Adriatic Sea, located on the western coast of Istria and which today proudly represents the tourist, economic and cultural center of western Istria. With its 17,000 inhabitants, an extraordinary geographical position and natural and cultural beauties, a rich tourist offer in the pre-season and post-season, it is one of the holders of the elite tourist offer at the level of the Republic of Croatia, that is, the European Union, and represents a pleasant place to stay and live throughout years, which are accompanied by many contents for a quality urban life. It is here that one of the latest projects for the construction of a new residential area is being launched, just 800 m from the sea, beautiful beaches and the historic center of the city. a total of 30 elite apartments on four floors with apartment areas from 50 m² to 150 m², a parking space in the garage (25) or next to the building (5) and a storage room for most of the apartments on offer. The building will be equipped with an elevator with an entrance station in the garage to each floor. The exterior and interior decoration of the building and apartments will meet high construction quality criteria as well as the high energy certificate A+. We offer an apartment on the second floor of the building. Its net total area is 80.61 m² and consists of an entrance hall, toilet, bedroom, kitchen and living room, bathroom, 2 bedrooms, balcony. The apartment has a storage room (14) and a garage parking space (14). Apartment equipment: Heating and cooling is via inverter air conditioners in each room. Top quality Italian ceramics and first-class laminates, burglar-proof entrance doors with coded keys, residential carpentry made of high-quality PVC/ALU profiles glazed with double IZO glass filled with argon, electric underfloor heating in bathrooms, etc. Orientation: North All apartments will be spacious and covered balconies with an unforgettable view of the sea and the city of Poreč. Mediterranean plants and trees will be planted around the building, which will raise the entire project to a higher level. The project is expected to be completed in April 2026. For any additional information, call the agent. Dear clients, the agency commission is charged in accordance with the General Business Conditions
