Description

Description:	<p>ISTRIA, KRŠAN - Building land with permission for a beautiful multi-storey house The municipality of Kršan today occupies part of the territory of the former municipality of Labin. The area belonging to the Municipality of Kršan is located in the central part of the eastern coastal area of the Istrian peninsula. The climate is mild, Mediterranean, where there are no large temperature amplitudes - winter conditions are rare, with a lot of sun and warmth. Kršan can rightfully boast of a rich cultural and historical heritage, which in some places dates back to the 11th century. In the territory of the municipality of Kršan, the remnants of the Glagolitic and sacral heritage and old crafts are interwoven with modern tourist offers and a variety of gastronomic delights. The area of the municipality of Kršan is the habitat of an endemic species - the Istrian bluebell. In Kršan, this beautiful building plot of 801 m² is for sale. The land has a building permit and paid utilities, which means that almost everything is prepared for the construction of a house with a swimming pool. The access road is secured, water is also provided. OPPORTUNITY! Dear clients, the agency commission is charged in accordance</p>
