Description

Description: For sale is a building plot 400 meters from the center of Donja Stubica. The land has a total area of 1942 m² and is of mixed use. The special advantage of this land is that it is the foundation for a two-story building with a floor plan area of approx. 100 m² for which there is a valid building permit, which enables the quick start of construction of the building. The land is suitable for the construction of a family house or a residential building with several residential units. All necessary facilities are in the immediate vicinity of the land, health center, shops, primary school, public transport. The exact location of the land is:
