Description

Description: We are selling an apartment in Rabac with a fantastic sea view. The apartment is located on the 2nd floor of a residential building with a total of 6 apartments, in a quiet part of Rabac, with a total area of 52 m². It consists of a comfortable kitchen with a dining room and a living room from which a large glass door opens onto a terrace with a wonderful panoramic view of the sea. Sitting in an armchair on this terrace, looking at the sea, and not hearing anything is truly priceless. We have tried to put a price so that you don't get scared. The view is really impressive and you should feel it with your eyes as well as with your nose because it carries the smell of the sea right up to you. The apartment also has one bedroom and a spacious bathroom. It is equipped with air conditioning, PVC carpentry and there is a possibility of installing a stove because the chimney is in the very center of the apartment. The quiet street where this apartment is located offers the possibility of parking next to the building itself. Come and have a look, because this kind of view is really something special.
