Description

ŠIBENIK - BILICE - Luxury apartment on the 1st floor for sale! This interesting property is located in the quiet settlement of Bilice, next to Šibenik. A location that allows you to get away from the city crowd and stress, yet you are less than a 10-minute drive away from all the amenities that the city of Šibenik offers. An apartment that provides a perfect combination of comfort, elegance and natural environment. The building is newly built and represents a modern project with an attractive design. It was built on a plot of land of 448 m². It was conceived as a family villa with two separate apartments. Apartment S2 is located on the 1st floor and has its own separate entrance. It consists of an entrance/hallway, staircase, laundry room, bedroom 1, bathroom, bedroom 2 with its own bathroom, walk-in wardrobe, spacious living room, kitchen and dining room with access to a beautiful terrace. The emphasis is on the selection of top quality materials for construction and furnishing. The exterior joinery is made of the latest generation of Aluk joinery profiles and glass that meets the highest energy and mechanical standards, which means that all glass walls and windows have absorbing UV protection and reduce heating by 25-30%. The windows are equipped with electric mosquito nets and blinds. The entrance door is anti-burglary. Insulation of the house with 10 cm stone wool. The knauf ceiling has been lowered and built-in curtain rails have been installed for an elegant look (at all windows/sliding walls except in bathrooms and hallways). The villa is equipped with custom-made furniture (DOIMO CUCCINE kitchen with appliances, laundry room with washing machine and dryer, furniture in the bathrooms). In addition to top-quality construction equipment and materials, this low-energy house is equipped with additional amenities. Underfloor heating and underfloor cooling were installed throughout the entire apartment. For underfloor heating and cooling, high-quality "Florim" ceramics have been installed in all rooms. The apartment has heat pumps and preparation for a solar boiler on the roof. Air conditioners, parapet convectors of the brand "Daikin" are located in the living room and hallway and provide optimal temperature during the summer

heat. Bathrooms are equipped with electric bathroom radiators. The apartment has one parking space. The project is currently in the phase of final construction and furnishing. Ready to move in - Spring 2024. The total net usable area is 103.42 m². Price: €259,000 + commission Apartment S1, located on the ground floor, is also available in the building - the area is 134.08 m². Price €349,000 + commission It is possible to buy the entire house. The price is €599,000 + commission Bilice Stubalj is a small place near the Krka National Park, on Lake Prokljan, which is open and connected to the Krka River and the sea. There is a small port for ships in the village. It is well connected by traffic, it is very close to the highway, and Zadar and Split airports are at a distance of about 50 km.
