Description

Description:	<p>A house with great potential is for sale within the Plitvice Lakes National Park. The house spans 3 floors, measuring 11 x 14 meters, and consists of a basement, ground floor, and upper floor. Each floor is approximately 140 square meters. It needs complete renovation, and it can be used for various purposes, such as a vacation home, a hospitality establishment with a restaurant and rental rooms, and similar uses. It is situated on a 1600 square meter plot and has connections for electricity and water, with drainage handled through a septic tank. The house has a rich history, having been designed by the influential Croatian architect Zdravko Bregovac, known for his avant-garde approach to design that left a lasting mark on the architectural landscape of the former Yugoslavia. -----</p>
