--------------	---

Istria, surrounded by lush Mediterranean vegetation, construction has begun on this elegantly designed, high-quality house. The house spans two levels, with a total net area of 117.2 m². On the ground floor, there is an entrance hall leading to a spacious living room with a dining area and kitchen, along with additional storage space and a toilet. An elegant staircase from the living room leads to the upper floor, where two comfortable bedrooms are located, each with its own bathroom, providing a complete sense of comfort and privacy. From the upper floor, there is a stunning view of the sea and the surrounding landscape. Thanks to its carefully thought-out design and above-average ceiling height, the house offers numerous possibilities for interior customization, perfectly meeting all the standards of comfortable living and creating an elite residential space. The living room opens out onto a landscaped yard of 218 m², offering ample space for creating outdoor amenities according to the future owner's wishes, in a peaceful environment surrounded by nature and birdsong. This modern house, built with high-quality materials, flawlessly combines luxury, comfort, tranquility, and a connection to nature. All necessary amenities for everyday living are located in the immediate area, while Poreč and the nearest beaches are just a 10-minute drive away. This property represents an excellent opportunity, designed for both everyday living and weekend relaxation with family and friends. For all additional details, we are at your disposal!
