Description

Description:	<p>Hreljin, we are selling a beautiful plot of land in the vicinity of the town, in a quiet location in the middle of the green belt. The land consists of several parcels and the total area in the construction zone is 671 m². The rest is non-building. There is only a green belt next to the land, so construction that would block the view is not possible. The terrain is mostly flat, with some low vegetation, regular shape. It is allowed to build a residential building with maximum of 3 above-ground floors. An antiquity that no longer exists in nature is drawn on the field. There is electricity to the field and the water is about 150 meters away. A white road leads to the land, but it is only about 150 meters to the asphalt. Do not miss the opportunity, this land is ideal for a holiday home, the documentation is in order and it is possible to buy and sell now.
