Description

Description: PICAN Piće is a small medieval town located in central Istria, known for its rich history and charming atmosphere. It used to be the episcopal seat, and today it is a protected cultural and historical monument. The town is surrounded by nature and offers beautiful views of the surrounding valleys and hills. Narrow stone streets, churches and walls are reminiscent of old times, while local events, such as the legendary festival of legends and myths, are held as a sign of cultural heritage preservation. In Piće, there is a regular building plot for residential use, with an area of 2030 m². The plot has access from an asphalt road, which makes it easier to get there and build. Located in a quiet and picturesque part of Istria, it offers an ideal opportunity to build a family house or a cottage. The property is neat and unencumbered. * BUILDING PLOT * 2030 m2 * APPROACH FROM THE ASPHALT ROAD * CORRECT FORM * THE OWNERSHIP IS IN ORDER For anything additional, you have at your disposal: ROBERTA POROPAT Licensed agent Mobile 00385 95 528-3152 roberta.poropat@dogma-nekretnine.com ID CODE: IS1514198
