Description

Description:

Discover your new oasis of peace near Tinjan with this beautiful house under construction, which will encompass a total of 127 m² of living space on a plot of 502 m². The planned completion of the construction is in 2025, offering you the opportunity to participate in shaping your future home.

Ground Floor: Spacious and Functional Areas The ground floor spans 73.73 m² and includes a spacious living room with a fireplace, connected to the dining area and a practical kitchen, ideal for family gatherings. There is also a comfortable bedroom with a modern bathroom, a storage room, a second bathroom with a laundry area, and an additional storage room. These spaces ensure the functionality and comfort needed for everyday life.

Upper Floor: Bright and Comfortable Rooms On the second floor, which spans 53.93 m², there are two bright and cozy bedrooms, each equipped with its own fully equipped bathroom and storage room. This floor provides additional privacy and comfort for family members or guests.

Exterior: A Relaxation Oasis The surrounding area of the house features a lush garden, a pool with a sunbathing terrace, and parking for cars. A beautiful garden with trees and a lawn creates a peaceful atmosphere that enhances the architectural charm of the house. The area around the pool, equipped with a sunbathing terrace and barbecue area, offers ample opportunities for comfortable relaxation throughout the day.

Modern Amenities and Quality Construction The house will be equipped with underfloor heating and air conditioning in every room, ensuring optimal comfort throughout the year. Buyers have the right to influence the construction, allowing for personalization of the space according to their preferences. Construction is underway for 14 villas near Tinjan. The first phase includes 5 villas, while the second phase will encompass an additional 9 villas. The architecture of the villas is designed in the traditional old Italian style, beautifully complementing the surrounding landscape and celebrating the rich architectural heritage of the region. The spatial design is highly ergonomic, ensuring functionality and aesthetic appeal in every corner. High-quality finishing materials are used in carefully selected combinations to achieve the maximum effect of a comfortable interior, showcasing the best of modern architecture while respecting the rich heritage of Istria. Here, every aspect of the architecture tells a story, inviting you to become part of the beautiful narrative of this enchanting region. ID CODE: IS1514339
