Description

Description:	<p>This building land in Vižinada presents an extraordinary opportunity for investors and developers, providing everything needed for an ambitious project. It consists of six smaller plots that are sold as a whole, allowing for flexibility in development and design. The land is fully equipped with all necessary infrastructure nearby, including access to water, electricity, and roads. The prepared project encompasses three attractive villas, carefully designed to maximize the stunning natural beauty and picturesque landscape of Istria. The villas are crafted with a focus on modern architectural elements while seamlessly blending into the surroundings. Spacious terraces and panoramic windows allow for abundant natural light and offer breathtaking views of the surrounding nature. This land represents not only an investment in real estate but also an opportunity to create a high-quality residential project that combines impressive architecture with local culture and tradition. Given the increasing demand for luxury properties in Istria, this is the ideal location for developing a project that will attract numerous buyers and tourists. With all these advantages, this is a unique opportunity for investors looking to create an exclusive community of villas in one of the most attractive parts of Istria, where nature, culture, and luxury come together in perfect harmony.
