Description

Description:	<p>This property was abandoned 40 years ago. And it's absolutely ecological. It leans on the property that we also have for sale and it is possible to consolidate about 10Ha. The land is managed as arable land, pastures and meadows, but a lot of trees will need to be cut down if you want to open or expand the family farm. The access road is there, there are several more marked ones that cut through the property but are not passable. A spring on the property, as well as two wells are an advantage for livestock breeding, or self-sufficiency. Electricity passes nearby. Whether you are interested in agriculture, hunting or coexistence with nature, more info is available at 0038599/850-6552, Danica Lovrić ID CODE: ZG72093</p>
