Description

Description:	<p>Barban is a small and picturesque village located in the interior of Istria, known for its rich history, tradition and natural beauty. Surrounded by hills, forests and pastures, Barban offers a quiet and authentic Istrian ambience. Although small, Barban has a rich cultural heritage, including old churches and the remains of medieval walls, and is also famous for the traditional knightly game "Race to the Ring", which attracts many visitors every year. The surrounding area is perfect for those looking for a nature escape, with many hiking and biking trails. A beautiful agricultural land near one of the villages in the vicinity of Barban is spread over a flat and spacious area, perfect for various agricultural and other activities. Due to its shape and direct access, the land is ideal for planting vines, olives or other crops, and it can also be used as a location for the construction of smaller commercial buildings or even for cattle breeding. The surroundings are peaceful, and the proximity of the village and roads makes this land easily accessible, which makes it an excellent investment for anyone looking for space in the rural part of Istria.
