Description

Description:

ISTRIA, LOVREČ - Indigenous stone villa with a spacious property with an additional stone building. Located on the edge of a charming village, only 16 km from the city of Poreč and 12 km from beautiful beaches, this extraordinary property represents a unique opportunity. As it is a question of two houses, the future owners are given the possibility of adapting the property to their needs and wishes. * First house: Located on the estate, completely renovated in 2020, with a total square footage of 142m² of living space, it exudes elegance and offers a perfect combination of modern comfort and traditional Istrian appeal. On the ground floor of the villa there is a spacious living room with a kitchen and dining room, as well as a bathroom and a storage room. Internal stairs lead to the first floor where there are three bedrooms. The master bedroom has its own bathroom, while the remaining two bedrooms share one bathroom. In front of the same villa there is a spacious covered terrace from where you can enjoy the view of the greenery and the pool. Next to the pool, there is a sunbathing area and a covered summer kitchen with a fireplace, which was built in 2022 while retaining the authentic Istrian flair. What makes this villa special is its 9,632 m² garden, as well as the accommodation itself at the end of the village, which offers enchanting paths for peaceful walks and moments of reflection with maximum privacy. * Second house: Behind the villa there is another autochthonous Istrian stone house, with a total living area of 217 m², which is awaiting complete renovation in order to become an integral part of this exceptional property. With its living room, kitchen, dining room, bathroom and three bedrooms and two taverns on the ground floor, it is waiting for its new owner to bring his own story into it. The fenced yard includes two additional legalized buildings, one serves as a covered parking lot, and the other is in the process of being converted into a charming apartment. Furthermore, the spacious yard provides enough space to add a swimming pool, allowing future owners to expand the contents of the property after renovation. This idyllic location abounds in convenience, with a range of amenities just a few minutes' drive away. Explore the nearby shops, schools, kindergartens, restaurants, post office, pharmacy, and enjoy the beauty of nature in easy walks around the area. Surrounded by holiday villas, the area exudes a peaceful atmosphere, which makes it a desirable investment for future owners seeking a unique combination of personal vacation and lucrative tourist rental opportunities.
