and the possibility of truck access. It is 2.5 km from the center of Opatija and 3 km from the highway. It is located on a construction plot of 1,116 m². The total building area of 256 m² consists of four units. The first unit is rented as an apartment, equipped with a kitchen, bedroom, bathroom and terrace. The second room is used as a workshop for restoring furniture and antiques, with enough space for tools and equipment. The third room / hall is currently intended for carpentry and furniture making. Between the second and third rooms there is a small tavern, suitable for storage, while the fourth room is currently used as a paint shop, but is in the process of being converted into an additional apartment with a finished bathroom. All rooms are heated with wood-fired central floor heating. This space has enormous potential and offers numerous opportunities for various business purposes. There is a possibility of buying an apartment on the ground floor of the neighboring house, 1 bedroom + living room, 58 m², with direct access to the courtyard of the office building. We are glad that you are interested in the properties in our offer. For any additional questions and arranging a viewing of the property, please feel free to contact us.
