Description

Description:	<p>We are selling an autochthonous seaside house in Bakar. The house has been completely adapted and decorated in coastal style and is located in the very center of the town, only about 20 meters from the sea, close to all facilities. It is arranged on 4 floors so that each floor has its own function. On the ground floor there is a kitchen with a storage room, from which the freight elevator leads to the first floor. The dining room and living room are located on the first floor, so food is delivered to the dining room and the balcony by elevator. On the second floor there are two bedrooms and a bathroom, and in the attic there is a large bedroom and bathroom and a spacious terrace with a view of the sea and the old town. The house has been completely renovated, the water and electricity installations have been changed, underfloor heating has been installed, oil-fired central heating with preparation for a pellet stove, a new roof and facade.
