Description

Description: Istria, surroundings of Krnica Attractive land for sale in Jovići, a small and quiet settlement near Krnica and Raklje. This land, which is partly construction and

partly agricultural, is ideal for building your dream house, offering the perfect combination of nature and proximity to the sea. It is approximately 3 km from the coast, and the plot already offers a view of the sea, which adds to its attractiveness. The total area of the land is 2263 m², of which 1051 m² is construction, while the rest is agricultural. This combination gives the possibility of different purposes, from the construction of a family house or a vacation home to the arrangement of a garden or an olive grove. Water and electricity are located at a distance of approximately 150 meters from the plot, which makes it easy to connect to the infrastructure. This plot of land represents an excellent opportunity for those looking for a peaceful environment close to nature, yet close enough to all necessary amenities! ID CODE: 1041-307
