Description

Description:	The apartment covers a total area of 100 m ² , with a well-designed arrangement of rooms. The entrance hall leads to a spacious living room, dining room and kitchen that are integrated in an open space concept, creating an airy and bright space for socializing and relaxing. The exit from the living room leads to the covered
--------------	--

terrace. The special attraction of this apartment is the roof terrace. The quality of the construction is highlighted by high-quality building materials, including aluminum carpentry, air conditioning, underfloor heating and a heat pump, which ensures comfort and a pleasant atmosphere throughout the year. The apartment also comes with two covered parking spaces provided, which is an added practical aspect. Buying this apartment on a turnkey basis allows its future owners to immediately enjoy their new home. With the planned start of work in early 2024. year, this property offers an ideal opportunity for those looking for a high level of luxury, either for family life or rental for tourist purposes. The stated price refers to the apartment without furniture in order to leave room for personalization by its future owners. CHARACTERISTICS OF THE APARTMENT: -top quality construction -PVC carpentry with electric blinds and mosquito nets, triple glass - first-class ceramics, large formats -Hans Grohe sanitary ware - heat pump floor heating, central hot water boiler -air conditioners -2 covered parking spaces - excellent location, close to the sea and marina ID CODE: IS1514220
