Description

Description:	POREČ Ground Floor Apartment with Garden, 2 Bedrooms + Living Room The town of Poreč is located on the western coast of the Istrian Peninsula. During Roman times, Poreč received its first city walls; the entire town was walled except for the western side, or the tip of the peninsula, where Neptune's or Jupiter's temple was located. Due to its excellent geographical location, as well as its natural and cultural beauty, today it is one of the strongest tourist centers in Croatia. The main economic sector is tourism, which positively correlates with trade, construction, and agriculture. This ground-floor apartment is located just 3
