Description

Description:	<p>We are mediating the sale of an attractive building plot located in Seget Gornji, in the Dražice area. The total area of the land is 2,044 m², and it is situated on gently sloping terrain. The plot has an irregular shape and is surrounded by holiday homes and luxury villas with swimming pools, which further increases its investment potential. According to the current spatial plan, the land is within the developed part of the construction zone. The biggest advantage of this property is its exceptional location, offering a stunning panoramic view of the Adriatic Sea, islands, Trogir, the island of Čiovo, Kaštela Bay, and the open sea. It is located about 4 km from Trogir. There is also the option to purchase additional agricultural land that is adjacent to this plot.
