Description

Description:	The envisioned house in Barban features a modern design and is currently under construction. The living area is 82 m ² , and the house is situated on a 350 m ² plot, providing ample space for comfortable living and outdoor activities. The house consists of two spacious bedrooms, ideal for families or guests, and two modern bathrooms, ensuring comfort and privacy for all residents. The interior is designed in an open space concept, where the kitchen, dining area, and living room are connected into one large, bright, and airy space, contributing to a sense of
--------------	---

connection and comfortable living. The house stands out with its living room featuring large glass walls, allowing plenty of natural light and offering a beautiful view of the garden and pool. These glass walls not only enhance the aesthetic appeal of the space but also create a sense of spaciousness by bringing the outdoor environment directly into the living room. A special feature of this house is the heated pool, perfect for year-round enjoyment regardless of weather conditions. Three air conditioning units are strategically placed throughout the house to provide optimal temperature control in all rooms. Additionally, underfloor heating ensures comfort and warmth during the colder months. The house has three parking spaces, offering sufficient room for the residents' and guests' vehicles. The 350 m² plot offers enough space for garden landscaping, sunbathing by the pool, or creating an outdoor area for social gatherings. All these features make this house an ideal place for comfortable and luxurious living in the peaceful surroundings of Barban. ID CODE: IS1514112
